The following transaction was entered on 3/2/2022 at 12:09 PM EST and filed on 3/2/2022

Case Name: HALL v. JOHNSON & JOHNSON et al

Case Number: [3:18-cv-01833-FLW-TJB](#)

Filer:

Document Number: 156(No document attached)

Docket Text:

TEXT ORDER: The Court has reviewed the parties' recent correspondence regarding the status of discovery, and certain discovery issues that are pending and being discussed by the parties. At this juncture, no discovery motions are to be filed. As the parties are aware, there are several motions pending in this matter and related cases, including those transferred from out of district. As it is unclear the impact those motions will have on the parties' discovery needs, the current deadlines are suspended, and shall be addressed after the motions are decided. The parties are directed to continue with document discovery. Upon consent of all parties, depositions may be taken. However, the Court seeks to avoid the need to duplicate any depositions. Should any discovery issue become ripe for the Court's consideration, the parties are to submit a letter to tjb_orders@njdcourts.gov regarding same. The Court will determine whether it is appropriate to consider the issue informally, or if formal motion practice is required. So Ordered by Magistrate Judge Tonianne J. Bongiovanni on 3/2/2022.
